100% Satisfaction Guaranteed

Getting a good massage is more than one of the world's best pleasures. It also offers many benefits that can improve your physical and mental health. Like many other experiences, though your satisfaction depending on where you go for a massage. This is especially true if you are looking for a specialized massage technique such as an ashiatsu back massage.

What is Ashiatsu Massage?

Ashiatsu massage is a method of massage therapy using feet. The practitioner uses ceiling bars that are designed to provide them with the leverage they need to maintain their balance as they walk on your back. Though it might sound and appear to be unconventional, it provides a deep tissue massage that is luxuriously pampering and rejuvenating.

Find the Best Practitioner for an Ashiatsu Barefoot Massage

If someone is going to be walking on your back in the name of giving you a massage, you want to make sure that you choose the best practitioner for the job. Below are five ways to tell if the massage facility is the right one for you.

1. Experienced

It might seem obvious, but the level of experience is still worth mentioning. The more experience the practitioners have at the massage and spa facility, the better your own personal experience will be. Not only will a great deal of experience enable the massage therapist to better hone in on your problem areas, but it also allows them to refine their technique to deliver the best massage possible.

2. Award-Winning

While winning awards is not the reason that most massage therapists get into this career, it does speak volumes about the integrity of their services. Matrix Massage & Spa is the winner of many awards as Salt Lake City residents have demonstrated again and again their satisfaction with their massage services.

3. Spacious

Getting a massage together with your spouse or significant other is an experience that is both refreshing and bonding. Heading to the massage facility with your best friends to celebrate your birthday, engagement or other important life event is a memorable experience that simply makes you feel good all over.

4. Guarantee

A sure-fire sign that a company stands behind what they sell is their guarantee. At Matrix Massage & Spa, they are focused on providing the best customer service and massage experience possible. Because of their dedication to their clients, Matrix Massage & Spa offers a 100 percent satisfaction guarantee.

5. Variety

While ashiatsu massage is an experience that must be felt to be believed, the best massage facilities offer a range of massage techniques so they can be tailored to your specific needs. Matrix Massage & Spa is pleased to offer more massage options than anyone else in the state.
